## The Steven L. Butler Memorial Fund

### HOW TO DONATE

The Steven L. Butler Memorial Fund is in dedication of Steve Butler's advocacy for teachers and students, his love of life and his competitive spirit. His colleagues from the Alameda County Teachers Association, California School Employees Association, and staff at the Alameda County Office of Education strive to build and sustain the Steve Butler Fund for Alameda County Juvenile Court School students. The Memorial Fund will be used to help other forgotten and struggling students receive a second chance at success. There are two ways you can donate.

ACOE employees can sign up for either a one time or monthly payroll deduction by completing a **Salary Reduction Agreement form on My ACOE**.

People wishing to make donations to the Steven L. Butler Memorial Fund through check or money order should make it payable to the "ACOE Educational Partnerships Foundation" and designate the gift to the Butler Fund by writing "Steven L. Butler Memorial Fund" on the memo line.

Contributions are fully tax deductible (tax I.D. number: 91-2152166). **One hundred percent of the money donated to the Fund is used for awards.**
