State or Local Procurement Requirements

Applicant may consider multi-year and/or contracts with voluntary extensions. Any voluntary contract extensions must be identified within the awarded contract and must be of a specified number and duration. Contracts with automatic or evergreen contract extension terms will not be considered. Applicant may consider contracts with flexible terms to allow for growth/reduction in services to accommodate an increase/decrease in the number of sites, users, and/or bandwidth. Service Providers submitting proposals in response to this FCC Form 470 must be in compliance with the rules and orders governed by the Federal Communications Commission. Failure to be in compliance and remain in compliance may result in the denial of discount funding, and/or cancellation of funding commitments and/or contracts, and/or could result in civil or criminal prosecution by law enforcement authorities. Service Providers submitting proposals must do so in good faith of compliance with the Lowest Corresponding Price (LCP) Rule (see 47 CFR Part 54 Section 54.500(f)). Service Providers submitting proposals must be in full compliance with USAC's Free Services Advisory <http://www.usac.org/sl/applicants/step02/free-services-advisory.aspx>. Any offering of free services must be clearly identified in service providers' bids. Service Provider invoicing to USAC must be completed within 120 days from the last day of service. Should the Service Provider fail to invoice USAC timely, Applicant will only be responsible for paying its non-discounted share. The Service Provider acknowledges that all pricing and technology infrastructure information in its contract shall be considered as public and non-confidential pursuant to CFR Part 54 Section 504 (2)(i)(ii).
